

# CZCamp 2017

**Aryana Behmardian**

So all the cool kids got together and decided to make a recipe for the best camp. It's supposed to be a secret but here it is: 1 cup of memes, 3/4 of a cup of good music and 1 tablespoon of waking up early. If you have one ounce of cool in you, you'll come to camp.

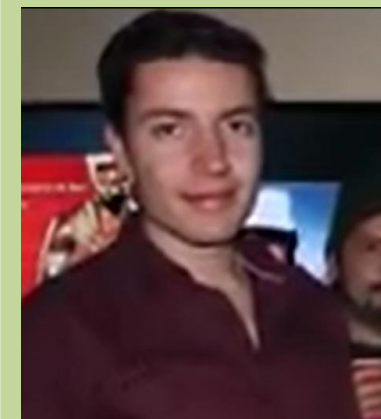

**Shirin Asgari**

Just like some of you, I am a CZC teen camp newbie and I am very excited to get to know ya'll. Join us at the CZC camping event and you will definitely have some cool stories to share.

**Shayan Mehrshahi**

Z camp was the highlight of my summer every year because of the new friends I made and fun activities we played. I am super excited to be a counselor this year because I know we will create so many new friendships and memories.

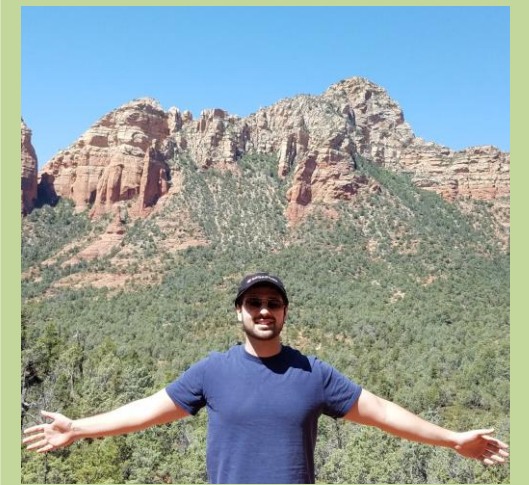

**Khodayar Goshtasbi**

If after the camp you come to me and you're like yo khody that wasn't lit, I'll do your schoolwork for a week but that's not happening cuz the camp's certified lit.

**Hilda Kasravi**

Come to Z camp so we can be one with nature and hug trees together!! I am forever grateful for the memories and friends Z camps have brought me throughout my childhood. You too can have that valuable experience! Join in on all the fun while deepening your understanding of the Zoroastrian religion.

**Arman Mazdidasni**

You will have so much fun at this camp we'll have to force you on the bus back home.
